Overview:

The Federation of Broomball Associations of Ontario (F.B.A.O.) wants to ensure that all teams, including its players and team officials, are aware of the expectations for participation at Provincial Championships. The actions of all members participating at this event need to follow the rules governed by the *F.B.A.O. Constitution and By-Laws*, and specifically exemplify the expectations outlined in “Appendix G – Code of Conduct and Behaviour” (attached). Please note the following by-law that is in effect for all Juvenile teams:

Constitution and By-Laws, and specifically exemplify the expectations outlined in “Appendix G – Code of Conduct and Behaviour” (attached). Please note the following by-law that is in effect for all Juvenile teams:

B7.1.7 All Juvenile Boys and Juvenile Girls teams must post a \$750 Performance Bond for the playing season in order to compete at the Juvenile National Qualifier and/or the Junior Broomball Provincials. The Performance Bond must be paid to the F.B.A.O. by the deadline for the submission of the entry form and monies for the Juvenile National Qualifier.

Those teams that don’t enter the Juvenile National Qualifier and/or lose their Bond at the Qualifier that season, but wish to compete at the Junior Broomball Provincials must still post the \$750 Performance Bond by December 15th of the playing season. The teams will not have to post the separate Junior Provincials Performance Bond.

The Performance Bond will be retained by the F.B.A.O. for the entire season, and will be refunded prior to the beginning of the next playing season, if the team and its individuals have complied with the F.B.A.O. Appendices D and/or G.

The Performance Bond will however be forfeited if the team and/or its individuals have contravened the F.B.A.O. Appendices D and/or G; and in addition the team and/or its individuals will be placed under immediate sanction, and suspended from further participation in the F.B.A.O. for a duration of time to be determined by the F.B.A.O.

These rules, expectations, and consequences are put in place for the safety and enjoyment of all parties involved at F.B.A.O. Provincial Championships, and to ensure that we are able to host future Provincial events here, as well as other locations throughout the province. We can’t expect people to act within our expectations if we don’t let them know what our expectations are, so please help us to guarantee that the sport of broomball continues to be a sport we are all proud to represent.

Yours in the Sport of Broomball,

F.B.A.O. Executive and Board of Directors
