

Broomball Sr Provincial Clothing Pre-order Information

We will be doing a preorder for clothing prior to the provincial tournament. There will be clothing for sale at the tournament but stock will be limited so we recommend ordering ahead to guarantee you get what you want.

The deadline for preorders is February 10th so please order ASAP!

All payments must be made at the time of order, or your preorder will not be put through to our provider. At this time we will only be accepting payments via e-transfer.

We would prefer if you order your teams clothing together on one order form if possible to make for easy clothing pick up at the tournament, but individual orders will be accepted.

Orders of 10+ items will receive 20% off their total so its beneficial to order as a team!

**All order forms and e-transfers can be sent to:
cobourgb25@gmail.com**

You can find the clothing mock ups on the next page, followed by an order form. If you have any questions please email the above address for more information.

Thank you!
